The Karger Oncology Package presents a well-balanced selection of peer-reviewed eJournals, established eBook series and individual eBook titles that focus on laboratory and clinical cancer research, as well as journals dedicated to specific forms of cancer.

The titles in this special package provide researchers, specialists and practitioners in hospitals, cancer centers and other professional institutions with essential and comprehensive information on the latest progress and developments in cancer research and treatment.

Package prices apply only to new customers with no existing subscriptions for included titles.

Customers with active subscriptions, standing orders or individual eBooks from this package, please contact us at collection@karger.com for a customized offer!
