The Karger Ophthalmology Package presents a selection of peer-reviewed eJournals, established eBook series and individual eBook titles covering key topics such as corneal or macular disorders, eye surgery and pharmacological issues.

The titles in this special package provide researchers, specialists and practitioners in hospitals, research centers, optometry schools and the industry with focused information, and highlight recent developments in ophthalmology.

Package prices apply only to new customers with no existing subscriptions for included titles.

Customers with active subscriptions, standing orders or individual eBooks from this package, please contact us at collection@karger.com for a customized offer!
