The Karger Pediatrics Package presents a high-quality selection of peer-reviewed eJournals, established eBook series and individual eBook titles covering a wide range of topics in neonatal, pediatric and adolescent medicine.

This special package provides researchers, specialists and practitioners in pediatric hospitals and research centers with essential and comprehensive information on the latest progress and developments in their field.

Package prices apply only to new customers with no existing subscriptions for included titles.

Customers with active subscriptions, standing orders or individual eBooks from this package, please contact us at collection@karger.com for a customized offer!
